CHI PHI PARENTS CLUB

October 10, 1991

Here's what's happening. The Chi Phi Parents Club will have its first meeting at the house on campus on Saturday, November 9. **PLAN TO COME!!!** This year we have planned a day when you can just "hang out with the guys." That includes:

11:00-12:00 House is open
12:00- 1:00 Parents Meeting in the formal room
1:00- 1:30 Light lunch at Chi Phi house
1:30- 2:30 Photos and stories
2:30- 4:00 Games: pool, darts, win-lose-draw
4:00- 5:30 Time alone with son
6:00 Dinner as a group at Jeremiah Sweeney's
4501 East 3rd Street (Ind. 46)
Separate checks for each family
Reservations made by Chi Phi

It's a day to spend time with your son and the people he spends time with. It's a day to get to know some of his friends and some of the parents.

RESPOND BY CALLING YOUR SON. IF YOU WANT HOUSING AND/OR DINNER, TELL YOUR SON. Reservations for the dinner and for a block of rooms for overnight have been made by Parents Club chair Steve Lutes. All we need is a head count. Send a baby or child photo of your son to Steve. He'll photocopy the pictures and we'll try to identify the fellow in the photo. Come prepared to tell a story about your son-- preferably one the "brothers" have not heard!

The Parents Club exists primarily to show support for our sons and to share the fraternity aspect of their lives in some way. The dues of the Parents Club are used to provide minor repairs in the house. In past summers, parents and Chi Phi brothers have even shown up during the summer to "fix it." We ask each family for an annual dues contribution of \$50.00 to be sent to:

Ms. Suzanne Coffey
Chi Phi Parents Club Treasurer
2317 Winding Brook Court
Bloomington, IN 47401
(812-331-2353) after 6:30 p.m.

The discussion on November 9 will include the need for increased Chi Phi membership, future plans for major repairs, the IU Chi Phi alumni support of the proposed new wing and the financial picture at Iota Delta chapter.

We need your dues. We need your presence. We need you to feel part of your son's Chi Phi experience at Indiana University.

Sincerely,

Ted Kowalski, '91-'92 president
