Alumni Conference on Iota Delta's Rebirth

You may have heard through "the grapevine" that we have kept the House and are moving forward. The alumni board has now met with Chi Phi's Director of Expansion, Paul Janowicz, regarding the various services the national office can provide for chapter rebuilding.

We invite our alumni Brothers to share their ideas and experience for founding a better Iota Delta. We will gather in Bloomington on Saturday morning, April 24, and adjourn in time for enjoying the Little 500 Race beginning at 2:00 pm.

As noted in a strategic 5-point outline for dialogue prepared by Brother Jon Hanley, '98, "it is of utmost importance that we employ the full talents, resources, and insights from each and every member". . . . "Far from suggesting the 'right' answers, I humbly share this to elicit reactions, differing points of view, and most importantly to initiate action to secure a strong and glorious future for Iota Delta!"

Chi Phi Little 500 Team Renaissance

Brother Don Meyer '60 is issuing invitations to former Chi Phi bike riders to participate in the "Lil 500 Alumni Race". It is only held every five years, and April 2010 will be the third running. Riders are seeded according to the decade in which they rode the race as a student. Don will have a dinner on Saturday evening for Brothers to have a great time into the early hours telling of their exploits in many Little 5's!
